

UCI Samueli School of Engineering

Materials and Manufacturing Technology Comprehensive Exam Committee Nomination

This form must be submitted to Katarina Barron (katarina.barron@uci.edu) **prior to scheduling your exam**. You will be notified if there are any problems with your proposed faculty member.

Student Name: _____ **Student ID:** _____

Email: _____ **Exam Date Range:** _____

The MMT M.S. comprehensive examination is designed to test the student's knowledge of M.S. graduate coursework. Details include:

- The comprehensive examination is a 30-60 minutes oral exam related to content of the core courses.
- It is the student's responsibility to confirm acceptance with the faculty member and to arrange the logistics (date, time, and location).
- Following the exam, the student will need to obtain the member's signature and outcomes on the MMT Comprehensive Exam Report form. Once completed, the student will submit the form to Graduate and Professional Studies to verify results.

The MMT comprehensive examination faculty member will be:
