Student Name: _____ **Student ID:** _____

Email: _____ **Exam Date Range:** _____

The MMT M.S. comprehensive examination is designed to test the student's knowledge of M.S. graduate coursework. Details include:

- The comprehensive examination is a 30-60 minutes oral exam related to content of the core courses.
- It is the student's responsibility to confirm acceptance with the faculty member and to arrange the logistics (date, time, and location).
- Following the exam, the student will contact the Student Services Advisor to initiate the MMT Comprehensive Exam Report form.

The MMT comprehensive examination faculty member will be:
